Vishnu: Incarnations of a Savior Sri G. Ananda A Complete Guide to Jesus as Lord Vishnu

Vishnu is a supreme God in Hinduism, which is a world religion followed by nearly 1 billion people. In the West, Yoga studios, health food stores and major universities are researching the significance of Vishnu. In his many years of research, Sri G. Ananda (Gregory Alexander), has made some amazing new discoveries. There are mysteries, involving Lord Vishnu, that are hidden in the original Hebrew manuscript of the Holy Bible.

In this book, many secrets will be revealed:

1. The Secret of the Avatar: More than the 2009 film or profile photos on social media, the term Avatar refers to the incarnations of Vishnu, who as the second member of the Hindu Trinity, reveals Jesus Christ, who was God born in human form.
2. The Secret of the Preserver: The name Jesus itself means "The Preserver", a reference to Vishnu.
3. The Secret of Lakshmi: The Church is called the Bride of Christ, and this fulfills the role of Lakshmi, who is born as the collective wife of Krishna. Just as Radha takes on a special role, Mary Magdalene takes on this role for Jesus.
