He was six feet tall, give or take, with broad shoulders and a kind of angry swagger in his step, a swagger that made him look like a bomb ready to go off or a wild animal that had only just barely been caged and controlled. The kind of animal it was a sin to try and tame.

VIPER

After years spent running drugs and guns for the White Wolves MC, Marines Corps veteran Viper wants out. And he doesn't care who he has to betray in the process.

MERCEDES

Ever since her husband died in Afghanistan, FBI Special Agent Mercedes Powell has thrown herself into her work with reckless abandon, apprehending Miami's most vicious gang members without any concern for her own life...

WHITE WOLVES

And her next assignment is the White Wolves MC—Florida's most dangerous biker gang. She's assigned to go undercover as Viper's girlfriend in order to infiltrate the club and bring them down... But the path between love and lust, between truth and deception, is a difficult one to walk.
