## **Baphomet's Agony** Marta Skaði

The mere fact you're reading this means that it has all gone wrong and I'm probably dead so excuse all the blood. This is a love story; my love story. Girl meets boy, she starts up a Norwegian black metal group, they have satanic orgies, everyone tries to murder them, people die and churches get burned. It's just what you'd expect of a black metal love story. It's going to be loud, outlandish and gruesome.
