Bring Me That Horizon: The Making of Pirates of the Caribbean

Michael Singer

Bring Me That Horizon: The Making of Pirates of the Caribbean Michael Singer

"You spent three days lying on a beach drinking rum?"

"Welcome to the Caribbean, love!"

This beautifully designed narrative serves as your compass to Disney's *Pirates of the Caribbean* trilogy of movies, describing in detail every aspect of the movie-making process, from casting to costumes to computer graphics, from curses to cutlasses to corsets.

Author Michael Singer takes readers on an extraordinary journey, recounting the links in the *Pirates of the Caribbean* chain—from the last Disneyland attraction in which Walt Disney was personally involved, to a film project spearheaded by one of the world's most successful producers, Jerry Bruckheimer, and a vividly imaginative director named Gore Verbinski.

A veritable treasure chest of exclusive photos and insider information, the book includes information on the production, makeup, location filming, shipbuilding, stunts, and special effects, as well as a scrapbook of Jerry Bruckheimer's on-set photographs. Also included are profiles on the films' incredible stars: Johnny Depp, Orlando Bloom, Keira Knightley, Geoffrey Rush, Bill Nighy, Stellan Skarsgard, and more!
