Old Taverns of New York

W, H. Bayles

Old Taverns of New York W, H. Bayles

This fascinating tome, originally published in 1915, is a lively record of the many drinking, eating, and sleeping establishments in the city from the first settlement in the seventeenth century. Hundreds of families are represented in the comprehensive index. Over eighty illustrations, many depicting the ancient buildings themselves, preserve the past of a cosmopolis whose charm has not diminished, only changed.
