Sense and Nonsense About Crime, Drugs, and Communities: A Policy Guide Samuel Walker
Samuel Walker's SENSE AND NONSENSE ABOUT CRIME, DRUGS, AND COMMUNITIES was one of the first books to challenge common misconceptions about crime, and the new Seventh Edition remains uniquely effective at doing so. Described as a "masterful critique" of American policies on everything from crime control, to guns, to drugs, this incisive text cuts through popular myths and political rhetoric while emphasizing current research and proven practice. The result is a distinctly lucid, research-based work that clearly reveals what does not work in crime policy while identifying shared characteristics of successful approaches, including carefully defined, narrowly focused, problem-oriented programs in policing and prosecution. This engaging text captures the full complexity of the administration of justice while providing students with a clear sense of its key principles and general patterns.

Willie Collins:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As

we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Sense and Nonsense About Crime, Drugs, and Communities: A Policy Guide can make you really feel more interested to read.
