## **Sins of the City: The Real Los Angeles Noir** Jim Heimann

New in town, huh? Look around, kidpalm trees, movie stars, glittering promises of fame and fortune....Now look closer, and you'll see the real action in the City of Angels: goons and thugs, backroom dice clubs, motel room cheesecake shots, crusading cops, and a few unlucky saps who didn't make it out alive. *Sins of the City* is a daring photographic compendium of vintage vice in Los Angeles from the '20s to the '50s, the true-life pictures of a milieu immortalized in the hard-bitten novels of Raymond Chandler, Walter Mosley, and James Ellroy, and such films as *Criss Cross*, *Double Indemnity*, *Chinatown*, and *LA Confidential*. Pore over 200 shots of the people, places, and events that only tabloids such as *Hush-Hush*, *Confidential*, and *Whisper* dared publish. Witness the LAPD bust a floating casino, see a dapper Bugsy Siegel "before" (living) and "after" (deeply deceased), and marvel at the criminal excess of marijuana-stuffed suitcases. Author Jim Heimann has scoured archives and newspaper morgues for prime examples of Southland's inglorious past, presenting a compelling history of its notorious corruption. Sure, it's a tough city, but thankfully someone was there to record it all.
