Dionne Santiago is on a mission to take what's hers by any means necessary. She will stop at nothing, until she destroys the lives of anyone who stands in the way of her becoming the next Mrs. Bishop Black. Bishop and Cherish's marriage is spiraling out of control, to the point of no return. Cherish decides that all bets are off and she takes Roman up on his offer at a weekend getaway in the beautiful Bahamas. Bishop on the other hand decides to take a walk on the wild side to explore the possibilities with his mistress, Dionne Santiago. Both Bishop and Cherish appear to be happy in their new relationships until more life shattering secrets are revealed, threatening to destroy them both emotionally and financially. Friendships are put to the test as Dionne uses them as pawns in her mission to tear apart Bishop and Cherish's union. Will Cherish give up on the man that she loves, more than life? Or has Cherish found true love in the arms of the charming Roman Carter, who is not who he claims to be? Will Bishop finally see Dionne for the scandalous woman that she truly is and seek to reclaim his life before meeting her? In the sequel to When Loving Her Is Wrong, the roller coaster ride full of drama, sex, love, lust and the betrayal continues to keep you on the edge of your seats, anticipating what will happen next.
